

Kealing Middle School Girls Soccer Spring 2020 Season

Thank you for your interest in trying out for the Kealing girls soccer team this year. We will field an A-team and a B-team that is not dependent on grade level. In other words, you may play on the A-team as a 7th grader or on the B-team as an 8th grader. If you played last year, your spot is not guaranteed. During our tryouts, we will do our best as coaches to choose the girls who are most deserving of making the teams. Both teams practice with each other, and there is always the possibility of moving up to the A-team for the zone tournament if you have earned it.

Not only are we looking for skilled soccer players, but we are also looking for girls who are quick learners, natural athletes and excited about playing soccer. It doesn't matter if you have never played before.

In addition to athleticism, we expect the following from our players:

- positive attitude
- team player (support on and off the field)
- always on time
- great listeners
- respectful to coaches, teammates, opponents and referees
- communication with coaches in a timely manner if unable to make a practice or game
- constant hustle
- help coaches bring out balls, water, etc. & returning them to weight room after practice
- flexibility and willingness to try new positions
- willingness to work with everyone; not just good friends
- desire to have fun while being competitive
- desire to improve, grow and learn
- leaders on and off the field

Please add **yourself and your parents** to the Kealing Girls Soccer 2020 remind.com:
